Parkdale School

Seasons Of The Phoenix

The seasons of the Phoenix
Remain forever within
As colorful etchings - locked
In a personal capsule of time.

The fall arrives
Disguised as a breeze
Of golden promise,
Only to be chased
By the icy grasp of winter,
Holding wildness at bay.

The children work on and on,
Under teacher's gentle eye
And soon, the sea of white
Admits defeat,
Reluctantly releasing
The magic of spring....

Invitations to summers freedom
Once again escape with the children
Who promise to return
For the next season of the Phoenix.

Mr. Wood

Principle/Vice Principal Message

The students of Parkdale have experienced many successes this year: The development of the Leadership class and their activities enhanced the school climate. The Bennett Center camp was a great experience for our grade 6 students to have the opportunity to develop more "hands on" curriculum. In meeting our district's priorities of improving student achievement and technology, we now have three computer labs in the school. These labs are especially beneficial for individualized programming for our special needs students. Our softball team won the Inner City League finals for the second year in a row. The School Advisory Council was instrumental in getting families together to make Christmas crafts. The school also developed many new friendships with outside sponsors. These are only some of the successes of the year. We as a staff are proud of our students and all their outstanding efforts in everything they did.

I have been assigned to another school next year. I would like to introduce the new principal to you, Mr. Ed Butler. He will be attending the Elementary Awards celebration on Tuesday, June 24th at 1:00 p.m. Hope to see you there. Parkdale is a school built on caring and pride and I am very proud to have been the principal of such a fine school. I will miss Parkdale and all the smiling faces very much. The one message that I would like to leave with the students of Parkdale is: **Remember to respect yourself, believe in yourself and to shoot for the stars!!**

[redacted]

Nancy G. Meyer

Once again, through the excellent work of our Yearbook Committee under the most capable tutelage of Mrs. T. Kolotyluk and Mr. J. Murphy the staff advisor, and the generosity of our school store, each Parkdale student will receive their own yearbook, free of charge, to enjoy and treasure for many years. The Yearbook Committee has given a great deal of time, effort and care to produce this very special momento for the staff, students and parents of Parkdale. Enjoy!

This past year has been a full and exciting year for all of us, the Parkdale School family. We have developed three computer labs, brought in new audio visual resources, and have purchased many more resources for our library. Our school teams have continued the winning tradition, and now have a new score-clock to highlight their efforts.

Not only are our grade nine's leaving us, but so are several staff members: Mrs. Bush, Ms. Huppertz, Mr. Wodinski, Mrs. Kolotyluk, Ms. Massey, Mr. Murphy and myself. Mrs. Nancy Meyer, our principal, is leaving for a new challenge. Since her arrival last year, Ms. Meyer had gained the respect, admiration and friendship of the students, staff and parents of Parkdale. While only here for one year, her contributions have been enormous, and while many will be sad to see her leave, I know that you all wish her the very best in her new assignment. And I know that you all will warmly welcome your new principal, Mr. Ed Butler.

This year's yearbook will be an especially meaningful one to me as I will be leaving Parkdale for a new assignment. May I take this opportunity to thank everyone for giving me the opportunity to serve the Parkdale family - students, staff, parents for the past three years. I will cherish the memories of all of you.

I will miss you.

Valedictorian

Phoenix: The Phoenix has been a symbol of excellence at Parkdale for many years. To some it is just a bird; to us it is a symbol of greatness and honor. The Phoenix has risen more beautiful from its ashes, just as Parkdale did in 1911. Now Parkdale is a great, positive, and proud place for us.

The school year has finally come to an end. I am proud to say that I have been selected as your Valedictorian for the graduating class of 1997. Being this year's Valedictorian is a great pleasure.

I'd like to say farewell to all those who have made my stay here at Parkdale fun and memorable. We have met friends who will last forever, and we have learned valuable lessons about life for a promising future . Now I am going to take this opportunity to wish you all the best in your new challenges.

This year's grade 9 students have been great leaders, and have made many of us proud. I am proud to be a part of this class, and to share my success with you all.

In the past years, Parkdale has gone through many changes and is now being recognized as a positive place to be.

A special thanks to the staff members at Parkdale who have helped me achieve my success this year. In Parkdale, the teachers taught me a valuable lesson that I will always remember: It is to "Be kind and helpful", meaning it doesn't matter what you look like or what your skin color is. We should "Celebrate our differences". Also, they showed me not to hurt "skin, bones, or feelings". The most important lesson was not to ever give up. "Practice, Practice, Practice!"

By doing these few things, it has brought me to a personal achievement, being your Valedictorian.

Parkdale is full of success, and is tomorrow's foundation. Each one of us can turn the world into a wonderful place for the next generation. All we have to do is let our teachers achieve their goals, helping us achieve ours. We are all a part of the future, and Parkdale is just the beginning.

Thank you all for your encouragement, determination, and friendship; your support is deeply appreciated. On behalf of the grade 9 class, I would like to say farewell. Farewell to all the teachers and friends at Parkdale. As a class, we will be taking our next step into life, the future and success.

You have all made my stay here at Parkdale the most unforgettable best of times.

Thank-You and Good-Bye.
